

## BELL WORK: WRITING IS IN YOUR FUTURE

---

Read the following excerpts from writing pieces and see if you can figure out what type of writing these came from:

1. Your company clearly stood out when I was researching the leading technology companies in the country. I am aware of your dedication to the development of innovative consumer products, and I believe that this role would be the perfect fit considering my strong design background.  

---
2. Thank you for taking the time to speak with me yesterday about the staff writer position with your organization. It was a pleasure meeting with you, and I truly enjoyed learning more about the role and the company.  

---
3. When I first started to consider going to college so that I could make a better life for myself and my daughter, I thought it was going to be almost impossible. I was working in a convenience store trying to make ends meet as a single mother, but I just knew that there was something more out there for me.  

---
4. Are you interested in cutting the costs of your company by 50 percent? Our product has done just that for several companies, and we can do the same thing for you! Our proven track record speaks for itself.
