

BELL WORK: CHARGING THE BATTERY

In the box below draw a cell phone on a charger. (any type of phone you want)

A large, empty rectangular box with a thick black border, intended for a student to draw a cell phone on a charger.

Fill out the phone with the three “Apps” in your school life that are draining.
On the plug, write the factors that are charging the phone.

BELL WORK: CHARGING THE BATTERY

In the box below draw a cell phone on a charger. (any type of phone you want)

A large, empty rectangular box with a thick black border, identical to the one above, intended for a student to draw a cell phone on a charger.

Fill out the phone with the three “Apps” in your school life that are draining.
On the plug, write the factors that are charging the phone.
