

ARTIFACT: MOVING THE CROWDS

Draw and label three actions you will take to be able to “move the crowd” to improve things at school, friends, home or in your neighborhood/community. Make more dominoes and fill them with names of people “in the crowd that you want to move” and when these are finished, place and glue your dominoes so that each one overlaps the one below it just a bit.

A vertical rectangular template for a domino, outlined with a thick black border. A horizontal line is drawn across the middle, dividing the space into two equal halves for drawing and labeling.A vertical rectangular template for a domino, outlined with a thick black border.
